**Seat Belts**

These Belts meet all Federal & SAE specification and are Completely Assembled and ready to be installed.

**"Very Close" Replacement Lap Seat Belts**

These replacement belts feature an appearance that is very close to the C1-C2 scarce OEM used belts. These affordable belts feature chrome buckles and latch ends with the familiar "lift to release" flip top mechanism as used on all factory 56-66 models. The 4 band nylon webbing is double stitched and includes attached floor mounting brackets.
