69-71 Red Stripe Headlamp Washer Hose Kits

Authentic style hoses with **Red Stripes & Raised Ribs** plus **T-pipe** connectors. This kit was developed by DocRebuild from OEM parts. Blem products in Virginia copied a repro and then hoped for the best. That's their research.
NOTE: If you are using 3 port washer pump select the 69 kit. If using 5 port pump select the 70-71 kit.

69-71 Correct RED STRIPE & RIBBED Headlamp Washer Hose Kits

69 Head Lamp Washer Red Striped Hose Kit for 3 port washer pumps 1014775 21.50
 70-Early 71 Head Lamp Washer Hose Kit Kit for 5 port washer pumps 1014776 23.50

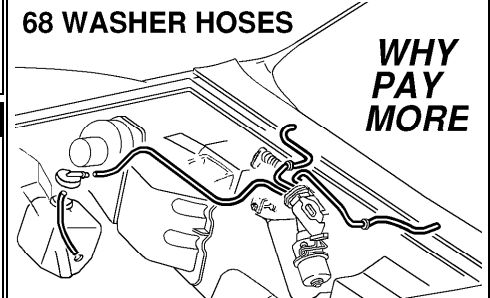

Note Even though Late 71 did not have these head lamp washers, these hoses were present along the left side fender skirt bundled together with the vacuum hoses that run up to the headlights. The assembly line workers simply cut the ends off these dangling hoses at the washer pump end and the head lamp housing end.
