65-74 "Street" Big Block Valve Covers

Perfect if you're NOT seeking a Gold or Top Flight award. Chrome plated steel covers with the recess for the Power Brake booster on the LH cover and 2 welded on plug wire brackets on the rear of each cover. They also have the Valve Train Drip Rails. 3386400 125.00

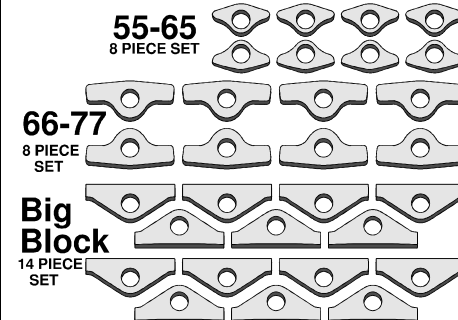

Late 69-74 454 RH Spark Plug Wire Bracket

Stamped steel with covering over the notches where the spark plug wires are held. Mounts under the second RH outer valve cover bolt. 9663396 12.00

Valve Cover Retainers

Die stamped to authentic patterns & Zinc plated for rust prevention. They help distribute the force of the valve cover bolts, preventing distortion of steel covers.

Real Cork Valve Cover Gaskets

Looks like Cork, feels like Cork, smells like Cork and probably tastes like Cork - Real Cork

Tired of those "Universal Fits All" Gaskets ?

These have the right Patterns
These have No Extra Holes
These have Right Number of Tabs
They have Excellent Absorbency
These are Made in the U.S.A.
Choose from 2 Quality Materials

Cork Blend is just like factory, it look like cork, feels like cork, and is a quality cork blend with the excellent absorbency of cork & the resilience of rubber! This tan cork is not brittle, and will look great to any judge viewing your covers. Made right in Connecticut. **The factory ones were Cork !**

Composition another quality material, with the same features of cork, except for the appearance.

55-59 Valve Cover Gaskets

Staggered bolt pattern, no Extra holes

Cork Gasket Pair	3386155	17.50
Composition Gasket Pair	3386355	15.00
